

A large indoor graduation ceremony at Florida International University (FIU). The scene is filled with graduates in blue gowns and caps, many of whom are throwing confetti and streamers. The venue has a high ceiling with exposed pipes and structural elements. Large screens in the background display the FIU logo and other graphics. The atmosphere is celebratory and festive.

# Eligibility Requirements

In order to enroll in **on campus**, **at high school** or **online** dual enrollment courses, students must meet the following Initial eligibility requirements:

- Be a student enrolled in a partner Florida public, charter or private school or home school course of study that fulfills requirements for high school graduation
- Have a 3.0 unweighted high school GPA
- Meet minimum score on a common placement test adopted by the Florida State Board of Education and accepted by FIU which indicates that the student is ready for college-level work
- Home education student must provide proof of enrollment in home education program and be registered with M-DCPS, Broward or Monroe County Home School Office.
- Meet any additional criteria set by FIU as the post-secondary institution.

Students interested in the **Full-Time/Dual Enrollment Early Admission** program must meet the following requirements:

- Be a rising senior in a partner Florida public, charter or private school or home school course of study that fulfills requirements for high school graduation
- Have a minimum 3.5 unweighted high school GPA
- Have approval from a high school counselor or home school liaison
- An SAT score of 1200 (combined Verbal, Math, and Writing) or an ACT composite score of 25 is required
- Home education student must provide proof of enrollment in home education program and be registered with M-DCPS, Broward or Monroe County Home School Office.
- Meet any additional criteria set by FIU as the post-secondary institution.

## Continued Eligibility Requirements

Continued participation in the program requires that students **maintain a 3.0 unweighted high school GPA, and the minimum postsecondary 3.0 cumulative FIU GPA.**

Additionally, students must meet required testing standards for enrollment in courses with pre-requisites and discipline-specific placement. (i.e. [ALEKS Math Placement Assessment](#))

Future admission to FIU as a degree-seeking student is selective and is not guaranteed via participation in the Dual Enrollment Program. Prospective students must apply to FIU and meet all FIU admissions requirements.
